2. Report Regarding the State Bar Strategic Plan. CalATJ provided the State Bar with written recommendations and advice regarding specific
objectives that could be added to the 2017-22 State Bar Strategic Plan for the 2020 calendar year to further the State Bar's goal of supporting
access to justice for all California residents and improvements to the state's justice system. The Board of Trustees of the State Bar relied on
CalATJ's recommendations in adding two objectives to its Strategic Plan.

3. Justice Gap Study. The State Bar of California determined that "National studies and related statistics have pointed to a significant justice
gap, defined as the gap between civil legal needs and available resources. No comprehensive study of the justice gap in California, the largest
state in the nation, had ever been done." The State Bar conducted a survey of nearly 4,000 Californians on the civil legal problems they faced;
an Intake Census of legal aid organizations about their ability to serve those who requested legal help; an analysis by LAAC of workforce
challenges faced by legal aid organizations; and a survey and focus groups of California law students on the impact of the cost of legal
education and student loan debt on career choices. CalATJ provided the State Bar with written recommendations regarding components of
the State Bar Justice Gap Study, and on the draft report and executive summary.

4. A member of CalATJ has been made available to serve on and provide recommendations to an implementation committee convened
following the submission of the report of the State Bar's Task Force on Access Through Innovation in Legal Service ("ATILS"). The member's

technicians or the use of similar paraprofessionals.
