Form 990 (2019)

Form 990, Part III, Line 4a:

Despite school closures for 1/4 of the school year, Junior Achievement of Arizona empowered 42,971 students, K-12, in classrooms at 167 schools to own their future success. Our hands-on, age-appropriate programs were delivered by 1,956 corporate and community volunteer mentors. Volunteers donated \$1,199,513 in time and mileage to deliver our in-classroom programs. This volunteer donation is not reflected in the expenses of Part IX but is noted here to reflect the efficiencies gained through our volunteer delivery model. Including the value of all program volunteers in our expenses increases our program expense ratio to 80.7% reflecting the efficiency gained by leveraging the expertise of these volunteers. These programs give students important knowledge and skills around financial literacy, work readiness, entrepreneurship and preparing them to think critically. Our survey shows that 98% of educators would recommend the programs to fellow educators. Furthermore, elementary school students who receive Junior Achievement programs demonstrate significantly higher (35% higher) critical thinking and problem solving skills than their counterparts.

Form 990, Part III, Line 4b:

JA BizTown program: Junior Achievement of Arizona's JA BizTown is an experiential program that requires 4-6th grade students to participate in 14-20 hours of classroom instruction where they work together to create business plans, calculate operating costs, design a marketing campaign, apply for jobs, vote for city officials, and explore careers. The program culminates when they visit our JA BizTown learning facilities and operate the "Town" for the day, as both the workers and consumers. This year, 17,594 students from 201 schools participated in the JA BizTown program. Upon completion of the program, students who participated in JA BizTown experienced an overall 26.6% percent knowledge gain (on average) in financial literacy and work readiness skills. Of the educators whose students participated in JA BizTown, 100% indicated that they would recommend the JA BizTown program to fellow teachers. JA partnered with 3,341 business, parent and teacher volunteers who delivered the JA BizTown program, donating \$962,700 in their time and mileage. Including the value of all program volunteers in our expenses increases our program expense ratio to 80.7% reflecting the efficiency gained by leveraging the expertise of these volunteers.

Form 990, Part III, Line 4c:

JA Finance Park program: Our second experiential program for students is JA Finance Park, which requires middle and high school students to participate in 14-20 hours of classroom instruction where they learn important personal money management skills. They then apply those newly acquired skills in a simulation where they are given a fictional life scenario and are required to create and maintain a balanced personal budget. This year, 2,865 students from 30 schools received the JA Finance Park curriculum and were empowered to manage their money and navigate financial complexities in their future. Upon completion of the program, JA Finance Park students showed a 32.3% percent financial literacy knowledge gain. JA partnered with 294 business, parent and teacher volunteers who delivered the JA Finance Park program, donating \$90,724 of their time and mileage. Including the value of all program volunteers in our expenses increases our program expense ratio to 80.7% reflecting the efficiency gained by leveraging the expertise of these volunteers.

Schedule D, Part V, Line 4	The Endowment Funds are to be used to support the programs of Junior Achievement of Arizona, Inc.

Supplemental Information

Return Reference	Explanation
Schedule D, Part X, Line 2	The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 43-1201(4) of the Arizona Revised Statutes. However, the Organization remains subject to income taxes on any net income that is derived from a trade or business, regularly carried on and not in furtherance of the purpose for which it was granted exemption. The Organization utilizes the provisions of FASC 740-10, which prescribes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Based on the Organization's evaluation of the June 30, 2017 through 2019 income tax returns and positions expected to be taken in the June 30, 2020 income tax returns, the Organization did not engage in activities or take uncertain tax positions that would jeopardize its tax-exempt status, or generate unrelated business income, which would be subject to taxation. In the event the Organization is assessed interest or penalties by major tax jurisdictions, it will be included in the provision for income taxes in the combined financial statements.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part I, Line 1	COVID Response: As is true for all nonprofit organizations, the COVID-19 pandemic had significant impact in Junior Achievement's ability to deliver programs, specifically through classrooms during school closures. In response, Junior Achievement seized the opportunity to innovate and re-imagine program delivery in a digital age - adding programs and addressing the extraordinary learning needs of students, educators, parents and partners so that we can continue to reach students wherever they are learning today. During the school closures (Mar-June 2020), Junior Achievement of Arizona continued to reach nearly 8,000 students at home and through other place-based community organizations. Concurrently, Junior Achievement modified future program strategy to include new and enhanced digital programs in addition to the traditional school partnerships approach when in-person learning resumes. J A IMPACT: In March 2020, Junior Achievement released national third-party survey results demonstrating the impact of programs on JA alumni. Of those results, 4 out of 5 JA students report that JA played an important role in their belief they could achieve their goals, in their decisions to pursue further education and in choosing their future career path; 53% of JA alumni report having started or owned their own business; and 51% report having a bachelor's degree or higher (compared to 33% of the U.S. population).

Form 990, Part III, Line 4a	JA You're Hired is another example of Junior Achievement's in-class programs that demonstrate the significant impact these programs have on the future of Arizona's students. JA You're Hired is an experiential learning program designed to prepare high school students to successfully enter the workforce and be contributing members of the community. Through the program, students develop vital skills such as interviewing techniques, resume writing, ethics, networking, conflict resolution, problem solving, working with teams and interpersonal communications. The program provides 7 in-class lessons, delivered by a volunteer mentor from the business community, which culminates in an exciting, day-long workplace skills challenge with competitions and workshops. As a result of their active engagement in the program, they now feel more in control of their futures: 93% of students feel better prepared to successfully obtain a job; 97% of students would recommend JA You're Hired to a friend; 87% feel that the program connects what they learned in the classroom to real life; 17% gain in workplace skills knowledge; 14% increase in interview skills confidence.

These students are now better prepared to manage their finances, be successful in the workplace and contribute to the economy and community.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part III, Line 4e	Volunteers are an integral part of Junior Achievement's success, as they enable Junior Achievement to leverage every dollar contributed to serve more students. Our volunteer mentors, in preparing for and delivering Junior Achievement programs, donated approximately \$2,252,938 of their time and mileage (based on the Independent Sector Volunteer rate specific to Arizona and applied to the estimated number of hours required for each program; and the federal mileage rate applied to the estimate number of miles driven). This gift of time and miles is not reflected in the expenses of Part IX but is worthy of note as it reflects the efficiencies gained through our volunteer program-delivery model. Taking into account the value of volunteer donated time and miles, our program expenses ratio would increase to 80.7%, which is a more accurate representation of the efficiency with which we deliver our programs.
