Supplemental Information

Return Reference	Explanation
Part V, Line 4:	The organization received grants from the U.S. Department of the Interior to establish an endowment fund. Under the terms of the grants, the organization was required to deposit the federal grant funds and a match totaling 50% of the grant from any private or tribal source. If the organization withdraws the corpus of the fund, the amount contributed by the federal government must be returned to the Department of the Interior. The organization has not made any withdrawals from the fund since its inception. The earnings are restricted for operating purposes.

Supplemental Information

Return Reference	Explanation
Part X, Line 2:	The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and Arizona income tax laws, and is classified as other than a private foundation under IRC Section 509(a)(2). Accordingly, no provision is made in the accompanying consolidated financial statements for federal and state income taxes. Income from certain activities not directly related to the Organization's tax-exempt purpose, however, may be subject to taxation as unrelated business income. Management is not aware of any matters which would cause the Organization to lose its tax-exempt status. Management has considered its tax positions and believes that all positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed. The Organization recognizes interest and penalties related to unrecognized tax benefits in miscellaneous expenses in the accompanying consolidated financial statements. During the years ended June 30, 2020 and 2019, the Organization did not recognize any interest and penalties.
