Name: FOUNDATION OF YAKIMA VALLEY COLLEGE

Form 990 (2019)

Form 990, Part III, Line 4a:

Awarding scholarships to students is our main focus and our largest expenditure. We have awarded over \$5.6 million in scholarships to approximately 5,400 students in the 43 years we have been in existence. The Foundation also raised matching funds for the SBCTC Exceptional Faculty Program in 1998. \$350,000 was matched by the State of WA to make awards available yearly to faculty working at Yakima Valley College (YVC). 89% of the total expenses were spent on scholarships and awards. The revenue we generate yearly comes from donors who want to establish scholarships with us and the investment income generated by those donations. We require a \$5,000 donation to set up a perpetual scholarship whereby we only award the income from the prior year and keep initial donation intact. We charge a 0.5%-1.5% administrative fee yearly to pay for administrative costs in our office. The fees charged are based on prior year's performance and income generated. We also accept donations where the donor wants the whole donation to be awarded and no investment income is generated and we do not charge these funds with the administrative fee. The Foundation teamed up with the college and created an emergency fund for studentsThe Student Success Fund. The funds cover unexpected costs that come up that would prevent a student from attending their classes such as rent, utilities, car repairs, groceries, etc. Our Foundation has been given millions of dollars by incredible people who want to further the educations of students who wouldn't be able to attend college if not for the scholarship. A list of our scholarships with their criteria is available at yvcc.edu/scholarships.

Return Reference	Explanation
Part X : FIN48 Footnote	The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Foundation is not considered a private foundation. However, income from certain activities not directly related to the Foundations tax exempt purpose could be subject to taxation as unrelated business income. As the Foundation has not engaged in any unrelated business activity, no expense for federal income taxes is reflected in these financial statements. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability (or asset) if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken by the Foundation, and has concluded that as of June 30, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Foundation is subject to audits by taxing authorities; however, there are currently no audits for any tax periods in progress.
