Form 990, Part VI, Section B, line 12c	The implementation of the conflict of interest policy begins with a written disclosure by all Foundation volunteers. Then, in a matter where a decision is to be made that involves a disclosed conflict, a discussion takes place to decide how the matter proceeds. The conversation centers on whether the person with a conflict will participate in the discussion and/or the decision. Once a fair process is determined in keeping with the policy, then a group decision is made. The matter is recorded in the minutes of the meeting.

Form 990, Part VI, Section B, line 15a	On an annual basis, the Executive Committee of the board completes an employee review of the Executive Director. The review process is managed by the Vice-President. A comprehensive review document is used that involves a report on results of the prior period by the employee followed by an assessment by the Executive Committee with input from the entire Board of Trustees. In circumstances where the Executive Committee believes that a change in compensation is appropriate, it is first determined whether there is capacity in the budget to make any increase. Then, the Executive Committee uses salary data gathered from local sources and the Council on Foundation's salary and benefits survey. It has been the practice of the Executive Committee to meet, but not exceed, the median salary of peer community foundations based on asset size and geography.
