Return Reference	Explanation
Part X : FIN48 Footnote	The Council accounts for income taxes in accordance with FASB ASC 740, income taxes, which clarifies the accounting for uncertainty in income taxes and how an uncertain tax position is recognized in financial statements. The Council analyzes tax positions taken in previously filed returns and tax positions expected to be taken in future returns. Based on this analysis, a liability is recorded if uncertain tax benefits have been received. The Council's practice is to recognize interest and penalties, if any, related to uncertain tax positions in the tax expense. There were no uncertain tax positions identified or related interest and penalties recorded as of June 30, 2020 and 2019, and the Council does not expect this to change significantly over the next 12 months.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	The Regional Center provides case management services, including quarterly visits to consumers residing in residential care facilities or supported living. In addition, persons who live independently in the community are visited quarterly. Persons living with family members are seen annually. Individual program plans are designed for each consumer, and the case manager and supervisor monitor progress against objectives through observation, inquiry of third party providers (service providers), family members and written reports from the service providers. The plans and progress against objectives are discussed in the visits with the consumer and families. Service providers may be asked to attend the visits. The Regional Center's fiscal division also audits a sample of third party vendors and its community service division also performs quality reviews of third party vendor services.
