Form 990 (2019)

Form 990, Part III, Line 4a:

Alternative Payment Programs are intended to serve two primary purposes: (1) enable low-income families to work, pursue an education, seek employment and (2) improve the cognitive and educational development of children from low-income households. The Alternative Payment Program implements the guidelines issued by the California Department of Education to determine which families are eligible for a payment assistance voucher. Once a family is determined to be eligible for a voucher, Case Managers work with the family to connect them to child care. The Alternative Payment Program then reimburses the child care provider directly for the hours of eligible care used by the family. During 2019-2020, payment assistance was provided to 303 families and 493 children.

Form 990, Part III, Line 4b:

Quality Counts and Early Learning Programs: Quality Counts provides information, resources, and support at no cost to early care and education programs, including family child care homes serving children ages 0-5. The program goal is to enhance the quality of learning programs and to acknowledge the effort of early childhood professionals to provide optimum learning environments and experiences for the children in our county. See Schedule O for further details.

Form 990, Part III, Line 4c:

Stage 1 or CalWORKS Program: CalWORKS primary purpose is to enable eligible families to accomplish their approved activity, so they can become self-sufficient over the long-term. The Napa County Health and Human Services Department determines which families are eligible for a payment assistance voucher. When a CalWORKS participant is eligible to receive child care services, a referral is sent to Community Resources for Children. CRC works with CalWORKS families to connect them to child care. See Schedule O for further details.

Part X : FIN48 Footnote	CRC has adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Section 740-10, which clarifies the accounting for uncertainty in income taxes. ASC Section 740-10 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC Section 740-10 requires that an organization recognize in the financial statements the impact of the tax position if that position will more likely than not be sustained on audit, based on the technical merits of the position. As of and for the year ended June 30, 2020, CRC had no material unrecognized tax benefits, tax penalties or interests. CRCs Forms 990, Return of Organization Exempt from Income Tax, for each of the tax years ended June 30, 2019, 2018, and 2017, are subject to examination by the IRS, generally for 3 years after they were filed.

Form 990, Part III, Line 4b - Program Service Accomplishments	Quality Counts and Early Learning Programs: Quality Counts provides information, resources, and support at no cost to early care and education programs, including family child care homes serving children ages 0-5. The program goal is to enhance the quality of learning programs and to acknowledge the effort of early childhood professionals to provide optimum learning environments and experiences for the children in our county. There are currently 55 family child care providers, centers and alternative sites participating in Quality Counts serving more than 10,240 children. Over the past year, participants of Quality Counts have received on-site coaching, quality improvement plans, incentive materials to support quality learning environments and access to free training/workshops for providers. The Active Minds program is a bilingual, play-based school readiness program for children ages 2 to 4 and their parents/caregivers. Active Minds prepares under-served children to enter Kindergarten by emphasizing parent/caregiver coaching and training. Parents/caregivers are required to participate along with their children; their participation brings sustainability to the program as parents/caregivers learn to engage and extend their learning at home. The program utilizes evidence-based practices (Ages & Stages Questionnaire 3 and the Desired Results Developmental Profile) to address the language, cognitive, physical and social/emotional developmental needs of children to prepare them to succeed in school and in life. In 2019-2020, 53 children and 53 parents/caregivers participated in the program. The Toy Library and Early Learning Center (TLELC) provides a safe, enriching and inspiring venue for families and caregivers to seek advice about their child's development and access early learning resources to support their child's learning and developmental growth. Quality toys and early learning materials are available for loan at no cost to families and early childhood educators. The organizational system in the TLELC is based on the ASQ developmental domains (social/emotional, thinking skills, communication and literacy, and fine and gross motor skills development) and age appropriateness, creating a research-based selection of toys and early learning materials. CRC staff are available to provide developmental screenings using the ASQ-3 and create Individual Development Support Plans that allow parents/caregivers to match their children's developmental needs with toys and materials. The focus of the TLELC is on modeling age appropriate activities for effective adult-child engagement up until age 5. In March 2020, we closed The Toy Library and Early Learning Center for in-person events and materials check-out. Instead we started serving families through virtual playgroups and 1:1 appointments via zoom and by offering two early learning take-home activities every month for pick-up outside of the Toy Library. In addition, we are utilizing the space in the toy library

During 2019-2020, CalWORKS payment assistance was provided to 39 families and 65 children. The majority of these children, most likely, also participated in one of the CDE-funded Alternative Payment Programs; however, they have only been counted here. Total program expenses were \$218,560.
