Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds.	The financial aid office notifies students when our comprehensive endowment scholarship application goes live (first week of february). Once notified, students fill out an application to apply for the respective scholarship. If the scholarship is for a specific program, the dean or other faculty member for that program will review the applications and make recommendations to the financial aid office and who should receive the award. Financial aid verifies again if the student is still eligible for the award and issues the funds to the recommended students. The financial aid office monitors the use of the funds to ensure that they are used for their intended purpose.
