| Form 990,<br>Part VI,<br>Section B,<br>Line 15 | <p>President's Compensation, the Executive Committee of the Board of Trustees chaired by the Board Chairperson, deliberates to determine the President's compensation. Each member of the compensation-setting body is a disinterested party. Jesuit members of the Executive Committee recuse themselves from the salary deliberations. Salary data obtained from the Association of Colleges and University Personnel Administrators, the Association of Jesuit Colleges and Universities and an executive search firm database is used to determine compensation comparability. The decision of the compensation-setting body including terms of compensation, the date approved, members of the compensation-setting body present during the discussion of the compensation and voting member, comparability data relied on and the source of the data and an affirmation that all members were free of any conflict of interest is documented and retained by the Secretary of the Board of Trustees. Key Employee Compensation is determined upon hiring by the university President or Provost, depending on the organization status of the key employee making a salary determination with the party involved. The President or Provost uses salary data obtained from the Association of Colleges and University Personnel Administrators, the Association of Jesuit Colleges and Universities and an executive search firm database to determine compensation comparability. On a regular basis the Executive Committee of the Board reviews the compensation of key employees. All compensation adjustments, such as merit increases are documented in the Performance Evaluation and reviewed for reasonableness and industry comparability via budget analysis.</p> |
