990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 7:	The Hospital determines its cost of charity care based on an overall financial statement cost to charge ratio applied against gross charity care charges.
Part I, Line 7g:	All costs reported on Part I, Line 7g are attributable to physician practices.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part II, Community Building Activities:	Littleton Regional Healthcare is involved in several community building activities that promote the health and wellbeing of the communities it serves. We collaborate with a number of local agencies including the North Country Health Consortium, Littleton Area Senior Center, Ammonoosuc Community Health Services and others. These agencies share common goals that address access to healthcare, health improvement, health education and affordable healthcare services. LRH encourages senior management and mid-level management to be actively involved in the communities we serve. We work with area schools to address the health of our young students and we work with local safety providers to promote safety and help prevent injury.
Part III, Line 4:	Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to operations and a credit to a valuation allowance based on its assessment of individual accounts and historical adjustments. Balances that are still outstanding, after management has used reasonable collection efforts, are written off through a charge to the valuation allowance and a credit to patient accounts receivable. In evaluating the collectibility of accounts receivable, the Hospital analyzes past results and identifies trends for each major payor source of revenue for the purpose of estimating the appropriate amounts of the allowance for doubtful accounts and the provision for bad debts. The adequacy of the allowance for doubtful accounts is regularly reviewed. For receivables associated with services provided to patients who have third-party coverage, an allowance for doubtful accounts and a provision for bad debts are established at varying levels based on the age and payor source of the receivable. For receivables associated with self-pay patients, the Hospital records a provision for bad debts in the period of service based on past experience indicating the inability or unwillingness to pay amounts for which they are financially responsible.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 8:	Any shortfall is treated as a community benefit. The Organization uses a cost to charge ratio from the Medicare cost report to determine the amount of Medicare allowable costs.
Part III, Line 9b:	Patients who are known to qualify for financial assistance are given a financial assistance application to fill out and return to our Financial Counselor. Upon receipt of the financial assistance application, the application is processed and the amount of financial assistance that will be granted to the patient is determined. Once the percentage of financial assistance is approved, we adjust the account balance accordingly. If a balance is left over after the financial assistance is adjusted, the patient will receive their monthly statements for the remaining balance. If the patient defaults on paying the remaining balance, their account will be sent to a third party collection agency no sooner than 120 days from date of their first statements issued. At this time we would turn the account over to the third party collection agency for further collection efforts.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 2:	LRH takes a comprehensive approach to assess community health needs. We perform several independent data analyses based on secondary source data, augment this with local survey data and resolve any data inconsistency or discrepancies from the combined opinions formed from local experts. We rely on secondary source data and most secondary sources use the county as the smallest unit of analysis. Since the service area comprises parts of Grafton County, we asked local residents to note if they perceived the problems, or needs, identified by secondary sources to exist in their portion of the county.
Part VI, Line 3:	Any applicant will receive a prompt decision on eligibility and amount of charity care offered. Notices of the Charity Care Policy are posted in the lobbies, waiting rooms and other public areas. Notices are also given to recipients who are served in their homes.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation

Form and Line Reference	Explanation
Littleton Regional Hospital	Part V, Section B, Line 11: The Hospital is addressing the significant needs identified in its most recent CHNA as follows: - Drug/Substance Abuse: The Doorway at LRH is part of a statewide initiative to address the growing opioid crisis. Littleton Regional Healthcare serves as a HUB for Northern New Hampshire. Fire, police and first responders carry Narcan with them to administer during calls. LRH offers a women's health conference annually that attracts close to 400 women. The Conference offers education on drug and substance misuse. - Mental Health: Two contract providers were available and seeing patients at LRH to address mental health issues. LRH offers community education on topics related to mental health issues to raise awareness that mental health issues can happen to anyone or any family and should be treated with the same care as diabetes, cardiac issues, etc. - Obesity/Overweight: LRH's Registered Dietician shares health related information about healthy eating habits including healthy diets and recipes through North Country Nutrition & Wellness a Blog for visitors to the LRH website. LRH offers entry level fitness classes on campus including yoga, and Bone Builders. LRH's 43.6 acres makes walking on the campus a favorite for everyone to walk and run. This encourages staying fit and addresses the obesity/overweight community health need. - Accessibility (Transportation/Disability, Access to Care, etc.) LRH provided transportation to and from appointments and procedures at LRH through our Care-A-Van service. LRH invested more than \$110,000 to cover the cost of this service to assist individuals who cannot drive or cannot afford a vehicle so that they can get to and from Littleton Regional Healthcare. - Alcohol Abuse: Due to Covid-19, LRH did not allow Alcohol Anonymous to host. LRH hosts Alcohol Anonymous weekly meetings at no cost to AA. Again, the Doorway at LRH offers drug/substance abuse treatment in the region we serve. - Affordability: In 2020, LRH provided \$609,000 in charity care for individuals who are unable to pay for healthcare services. Our patient financial services staff works with patients who do not have insurance but want to be covered to help them make a selection that works for them. We work with patients to help them pay their healthcare bills on a monthly basis, at a level that works for their financial capabilities. - Dental: LRH does not address this need directly, but we do refer patients to Ammonoosuc Community Health Services who offers high-quality, affordable dental care that is open to everyone regardless of ability to pay. They accept Medicaid and most major insurances and work with uninsured through a sliding fee scale payment option.
