Part IV **Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

The Board monitors actual expenditures via its budget review. Record keeping is the responsibility of each group managing an assistance category.

USDA and similarly controlled food distribution is monitored in accordance with donating agency policy with required reports submitted to those agencies.

Because Fish operates on a cash basis, though we do not figure the cost of food or supplies donated to us, these donations are logged. For kitchen meals and groceries, our client

assistance is significantly augmented by community and agency food donations - individuals, business/faith/school/community groups, US Post Office, Boy Scouts, etc.

The costs in columns (c) and (d) represent Fish's actual cash expenditures in support of the particular form of assistance. In the case of utility, prescription, and transportation

assistance, the cash payments are made to the client's service provider and not to the client. We minimize the risk of clients "double dipping" by coordinating assistance with other

community organizations.

Kitchen meals are served daily on site and provided to all who come. The counts are based on sign-in logs, occasionally estimated.

Groceries assistance is provided to a family/single no more than once a month - 3 full bags. Utility assistance is provided no more than once a year and pharmacy assistance as needed.

In addition, Fish provides Christmas in July, Thanksgiving, and Christmas baskets, providing a holiday meal for a family/single. Counts are based on logs.

Part III, 2) Though not a change in our services, beginning in March 2020, Fish saw a dramatic increase in our provision of
evening meals, bag lunches, and groceries due to the side effects of the COVID-19 pandemic

Part IV, 12a) During the course of this fiscal year, Fish received over \$100,000 in donations. Since this includes "unusual" government grants
(\$10,000) and other donations likely due to the COVID-19 pandemic, we believe that our "usual" donations fall well below \$100,000.

Though we don't believe that we are obliged to acquire a independent CPA financial review, we are planning on doing so, though not prior
to completing this report

Part VI, 11b) Typically via e-mail, each Board member is provided with a copy of the complete Form 990, including supplementary schedules.
Any necessary changes are made. The Board is then provided with the updated Form via e-mail and asked to approve it, requiring a majority
vote to do so. The approval is noted in Board minutes.

Part VI, 12c) Board members are required to promptly disclose any potential conflict of interest and refrain from participation in any Board
action related to that conflict of interest. Since the Board has the sole responsibility for significant actions on behalf of Fish, Board
monitoring and enforcement of conflict of interest policy is straight forward.

Part VI, 18, 19) The public access documents are made available on an as-requested basis, via an electronic copy of the requested
documents. Some are posted on the website.

Part XII, 2a) Since this is the first year Fish has received donations in excess of \$100,000 - largely due to the COVID-19 situation - the Board is
looking into having an CPA independent review performed.
