Supplemental Information

Return Reference	Explanation
Part X, Line 2:	The Hospital, Foundation and Health Foundation are exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state statutes relating to not-for-profit organizations. In addition, the Foundation and the Health Foundation have been classified as organizations other than a private foundation meaning of Section 509(a) of the Internal Revenue Code. Pleasant Valley Home Medical Equipment, Inc., the wholly-owned subsidiary corporation, is not exempt from Federal and state income taxes. Income tax expense, when incurred, is based upon reported income, with deferred income taxes provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. Temporary differences result primarily from using accelerated depreciation methods and from reporting bad debts when incurred for tax purposes. Accounting principles generally accepted in the United States of America require the management of the Company to evaluate tax positions taken by the Company. Management has evaluated the Company's tax positions and concluded that the Company has maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The management of the Company believes it is no longer subject to income tax examinations for years prior to the fiscal year ended September 30, 2017.

Part II, Community Building Activities:	Our weight loss challenge gives the community the ability to use our wellness services. Our wellness services includes cardio and weight lifting machines and certified exercise physiologists. Blood pressure, weight, body fat were monitored before the challenge and after the challenge. This promotes a healthy lifestyle in the community. Mason County is a medically underserved area and the hospital spends money for recruitment for this area. 990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 3:	The Hospital determined that 16% of self pay accounts turned over to a collection agency came back as eligible for Financial Aid. The amount reported is 16% of the total bad debt expense.
Part III, Line 4:	Patient accounts receivable are carried at the original charge less an estimate made for doubtful or uncollectible accounts. The allowance is based upon a review of the outstanding balances aged by financial class. Management uses collection percentages based upon historical collection experience to determine collectibility. Management also reviews, troubled, aged accounts to determine collection potential. Patient accounts receivable are written off when deemed uncollectible. Recoveries of accounts previously written off are recorded as a reduction to bad debt expense when received. Interest is not charged on patient accounts receivable.

Once determination is made the account balance or the % portion of the account balance is adjusted to "Financial Assistance".

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 2:	We provided surveys and conducted interviews with employees, businesses, and residents of the communities we serve. We asked in the survey if they can indicate health conditions in their household. During interviews, we asked what the healthcare needs are, what barriers there are, and what opportunities for improvement do they see.
Part VI, Line 3:	The process in place offers the uninsured and underinsured patient the ability to apply for charity care through a formal application process established by reviewing both income and expense to make a final determination of eligibility. It requires proper verification of income through a pay stub, tax return, etc. It is also verified that the patient is not eligible for a state assisted program via a denial letter from the program or verification through the state caseworker. The patient will either be contacted by the Business Office or will contact the Business Office during the collection and statement process to discuss financial arrangements regarding their patient account. All options of payments will be discussed and charity care offered as an alternative option after screening the patient's financial ability to make payment.
