Return Reference	Explanation
General explanation attachment	Summary (Part I, line 19)Page 1 of the 990 summarized information presents Revenue less expenses for the year in a format which combines changes in unrestricted and restricted revenue. Changes in restricted revenue can have major fluctuations from year-to-year due to such things as multi-year grants that are included in temporarily restricted revenue in their entirety in the year promised but will not be used until later years i.e. total revenue for a given period will rarely match total expense. In 2020 and 2019, NETRFs accrued grant commitments reflect many multi year projects with payments to be made over one to three years. In addition, the funds required for these grants will come from existing assets.
