Part IX-A Summary of Direct Charitable Activities

List the foundation's four largest direct charitable activities during the tax year. Include relevant statistical information such as the number of organizations and other beneficiaries served, conferences convened, research papers produced, etc.	Expenses
1 The purposes of the Foundation are to acquire, maintain and retain real property and related personal property in Maine for the purposes of protecting its natural, scenic and open space values, preserving open space for the benefit of the public and the environment, and engage in historic preservation. In 2020, the primary project of the Foundation was to restore Halfway Rock Lighthouse. This lighthouse is perched midway across the mouth of Casco Bay on a barren ledge of two acres. It is a remote, wave-swept beacon, nearly inaccessible and totally exposed to the ravages of nature. Built in 1871 to guide mariners approaching Portland Harbor, the lighthouse was staged until it was automated in 1976. Thereafter, maintenance was limited to the bare essentials required to keep the light and fog horn functioning. It was declared surplus government property in 2014. Due to the lighthouse's tremendous historic significance, the Foundation acquired it and is in the process of restoring it.	55,114
