Facts And Circumstances Test

The Senior Companion Fund failed to meet the public support test for years ending December 31, 2016 through December 31, 2020. Based on the following facts and circumstances, the organization should continue to be recognized as a publicly supported organization under Internal Revenue Code Section 509(a)(1). The organization does not receive more than 33 1/3% of its support from government units or the general public because the organization has received much of its financial support from a single donor. The organization continues to solicit contributions from the general public through fundraising events and has implemented a plan to increase public contributions. These targeted efforts are aimed at increasing overall public support of the organization.
