990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	Southern Conservation Partners (SCP) was formed, incorporated, and received its 501c3 public-interest charity certification by the IRS in late 2014. SCP was established by six friends who each were completing long professional careers in managing land and environmental conservation organizations and all were soon approaching retirements. SCP was intended to provide the six founders as a means to remain actively involved in conservation activities and to continue to provide assistance to younger generations of natural resources conservation program leaders and creative innovators in the southern U.S. Two of the six founding board members are a married couple. SCP is purposefully an all-volunteer organization with no paid staff. No board member is compensated beyond occasional reimbursement of documented and invoiced expenses (including partial costs of office rental, phone and internet fees). Expense reimbursements must be approved by the board of director's executive committee. The corporate Bylaws and subsequently adopted procedures set forth Conflict of Interest policies and annual declarations and avoidance practices. SCP's Bylaws explicitly prohibit the organization from owning or holding any land or conservation easements. It is NOT a land trust. The corporation's fiscal year is the calendar year. Until the year 2020, SCP's revenues and expenditures were annually substantially less than the \$50,000 threshold for required submittal of a full 990 report; consequently, SCP for the five previous years of its existence annually filed online 990-EZ reports declaring its financial receipts were less than \$50,000. SCP occasionally agrees to serve as fiscal sponsor for projects led by other entities (or groups of individuals) who are not themselves incorporated or are not themselves 501c3 corporations, and have initiated projects in accord with SCP's mission and objectives, and will serve public interests: e.g., single weekend public environmental educational event; state-designated rare or endangered species and natural areas monitoring site visits and status reports; production of PBS documentary films on natural areas conservation subjects; creation and development of public website for "citizen scientists" volunteers as guided and "encyclopedia" of information on all boita species in NC; rare species conservation research and recovery efforts. SCP purposefully follows the National Network of Project Fiscal Sponsors guidelines and procedures. SCP requires formal application, approval, project adoption partnership agreement (contract), reporting and accounting for each project for which it agrees to be the fiscal sponsor. Grants and contributions designated in support of a sponsored project are made to SCP. (i.e. donors \$ to SCP; SCP conveys grant \$s to project leaders, or directly pays project expenses). SCP in 2020 adopted a project for its fiscal sponsorship that has attracted a substantially large scale of financial support from foundations (#9 gran
