Return Reference	Explanation
Pt X, Line 2	The Organization follows the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2020, the Organization had no uncertain tax positions for either recognition or disclosure in the financial statements. With few exceptions, the Organization is no longer subject to Federal or state income tax examinations by taxing authorities for years before 2017.
