Form 990EZ, Part III - Statement of Program Service Accomplishments

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.	Expenses (Required for section 501(c)(3) and 501(c)(4) organizations; optional for others.)	
29 Programming Classes: Classes were originally planned for the entire year, covering Boundaries, Managing Finances, and Life Skills classes. The Life Skill classes are provided to learn about abilities and behaviors that help all of us effectively deal with the events and challenges of everyday life. Everyday life, in the form of a pandemic shutdown and quarantine. Because of the need to avoid any group meetings and activities, the Programming Classes were modified to be individual study units. Each client was able to work at their own pace, beginning with the programs that would be most beneficial for them. The individual modules are reviewed with the grantee approximately once a week with the Case Manager. The expenses for this change were minimal as all programming materials had been purchased the previous year in anticipation of the scheduled classes. Although group meetings do play an integral part of the development of a successful family, the grantees were still able to progress to their goals of being able to transition to independent living. Because the group classes were discontinued, the program is limited to program grantees only,. (Grants \$ 100) If this amount includes foreign grants, check here . . . ☐	29a	450
