Center for Science and Animal Well-Being (CSAW). More than 2500 ambassadors of the animal kingdom provide our visitors with a rare opportunity to see species from around the globe and experience up close, personal encounters with some. Expert care of these ambassadors is a time-honored tradition at CZS, where innovations in husbandry techniques and pioneering breeding programs are part of the cutting edge culture of excellence. CSAW staff integrate disciplines such as population biology, behavioral science, nutrition and veterinary science to determine the best ways to provide and continuously care for the animals. They also incorporate models and practices from around the world, and from an array of animal care professionals, to develop the best possible zoo-based animal care and management practices. Throughout the COVID related closure of the Zoo to the public, staff continued to provide expert care to the over 2500 animals in their care. Staff also participated in daily "Bringing the Zoo to You" virtual keeper chats available for free to the public on social media platforms.

Park Operations. The CZS maintains 75 buildings on 214 acres of land to exhibit over 2,500 animals. In a typical year, two million visitors annually enjoy the experience of seeing and learning about the animals of the world. Each individual who enters through Brookfield Zoo's gates represents an opportunity to introduce representatives of the wild world, to convey our intertwined connections to the animal kingdom, and to encourage positive change in the world. The zoo was closed to the public Jan-Feb 2021 and open under limited capacity restrictions in March, due to the COVID Pandemic. Indoor areas and special attractions remained closed in Mar. Total attendance for Mar 2021 was 112,641. While open in March, CZS maintained a safe outdoor environment for guests to connect with animals, ensuring abidance with state mandated COVID safety protocols including capacity restrictions, social distancing and mask wearing. The membership team continued to service our 112,000 member households, providing them with the opportunity to participate in conservation and educational efforts of CZS.

Center for Conservation Leadership (CCL). Through its many conservation and education programs, CZS communicates with others to engender in them a sense of ownership about living harmoniously with nature and helping save endangered species. Education specialists, volunteers, curators, graphic and exhibit designers, photographers and many others contribute to sharing this information both in person and virtually. As well as reaching the daily visitors to the Zoo, CZS engages would be conservationists outside of the Zoo including classrooms of school children, teachers and community leaders. Additionally through field programs, CZS supports efforts to protect and restore populations of threatened species in other parts of the world. The CCL strengthens the bridge between education and conservation, between field research and the animals in our care. During the COVID related closure of the Zoo to the public, CCL staff successfully led many of their classes via virtual learning platforms.

consist of the Chicago Board of Trade Endangered Species Fund and the CZS Women's Board

Fund Contributions to these funds come from donors as well as proceeds from fundraising

events and investment income Grants are decided by committees as described in Schedule I

but no one donor may decide on the grant awards All grants awarded must follow the

guidelines and processes established by CZS CZS Board of Trustees has final approval of

Management has final approval of all CZS Women's Board recommended grant awards

Part III Line 1A Animal Collections, which were acquired through breeding loans,

purchases and contributions, are not recognized as assets on the Statement of Financial

Position Costs to acquire collection items are recorded as decreases in unrestricted net

assets in the year in which the animals are acquired Proceeds from deaccessions are

reflected as increases in the appropriate net asset class. The Society's animal collection

consists of specimens with numerous attributes including taxonomic group, age, sex,

relationship and value to other animals, endangered status and breeding potential. The

Society retains a record of every animal in a permanent file. An inventory of the

collection is prepared annually. Professionally trained keeper staff and population

managers provide daily care for the collection and determine population needs.

Part III Line 4. The more than 2500 ambassadors of the animal kingdom which make up the

CZS collection provide our visitors a rare opportunity to see species from around the

globe. The collection, in connection with our education programs, provides CZS the

opportunity to teach guests about animals and nature, conservation and other related

topics.

Part V Line 4. The Society's endowment consists of different funds established to support

a variety of CZS programs including conservation and research, education and outreach,

care of the animal collection and grounds, and general operations. Additionally, the

Society is the designated beneficiary of the interest income on a \$1 million endowment

established and maintained by the Chicago Community Trust. The CCT maintains variance

power over this endowment and, accordingly, the Society has not included it in its

financial statements.

Part VI Line 1A-E. The Society operates a zoological park on land owned by the Forest

Preserve District of Cook County, IL which is provided to the Society at no charge. The

land site of the Zoo, accordingly, is not recorded on the Society's financial statements.

All park improvements acquired by the Society are legally owned by the District. All park

improvements acquired by the Society, including those acquired with District funds, are

recorded as park improvements on the Society's financial statements. The amount in Other

represents construction in progress on capital assets. Once a capital asset is complete

and in use, the total amount for that project is closed out of construction in progress

and transferred to park improvements.

Part X Line 2. The Society is a not-for-profit corporation and is exempt from tax under

**Part XIII Supplemental Information** *(continued)*

the provisions of Internal Revenue Code Section 501(c)(3), except for taxes on unrelated

business income. The Society has no liability for uncertain tax positions, therefore the

Society does not include such a footnote as it is no longer required by generally accepted

accounting principles.
