Form 990, Part III, Line 4a:

Arcadia University offers a high-quality liberal arts education. Students choose from over 65 major fields of study in the sciences, health sciences, education, arts and humanities, and business earning their bachelor's, master's, professional certificates, and doctoral degrees. 99% of Arcadia's full-time undergraduate students receive financial assistance in the form of grants and scholarships. Arcadia also offers students academic support programs, including the Gateway to Success program, which includes ACT101 services for PA residents who qualify. Our global programs continue to educate over 3,000 undergraduate students from U.S. institutions every year.

Form 990, Part III, Line 4c:

We believe that living in close proximity to people from different backgrounds is a critically important way for students to learn important life skills, and we treat residential life as an important opportunity for learning. Our desire is to ensure that students' living arrangements support and enhance their educational work and goals. While our primary goal is to provide safe living environments conducive to study and academic success, we encourage and support the development of the following core competencies in our students: diversity and inclusion; global perspectives; civic engagement; citizenship; self-advocacy; problem-solving; respect for others; and the development of identity, purpose, and integrity. Within the residence halls and apartments, an engaged team of professional and paraprofessional staff use the physical structure of the living environment as a tool to maximize learning moments and challenge students to develop and apply these competencies.
