990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	The Foundation has adopted a conflict of interest policy that requires directors, officers and key employees to submit an annual conflict of interest disclosure. In addition, directors, officers and key employees are required to immediately disclose any possible conflict of interest that arises mid-year in relation to a proposed transaction. The conflict of interest policy requires that any individual with a conflict be recused from the decision making process, that independent directors or committee members determine that the proposed transaction is in the best interests of the Organization, and the transaction must be approved by a vote of the independent directors or committee members without the participation of any interested individual. The annual conflict disclosure statements are submitted to, and reviewed by, the Audit Committee chairperson.
