## Supplemental Information

Schedule D, Part X, Line 2	<p>Uncertain Tax Positions - The College accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable tax authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The College has identified its tax status as a tax exempt entity as its only significant tax position; however, the College has determined that such tax position does not result in an uncertainty requiring recognition. The College is not currently under examination by any taxing jurisdictions. The College's Federal and state tax returns are generally open for examination for three years following the date filed.</p>
