Return Reference	Explanation
Schedule O Disclosures	IRS Form 990 Part I Line 6: Covenant Medical Center, Inc. received donated services through volunteers assisting in a variety of areas which include the information desk, escorts, medical runner, nursing units, ambulatory surgery, Cancer Treatment Center, rehabilitation therapies, and volunteer transportation services. Part V Line 1a and Part VII Section B L ine 1-2: MercyOne Northeast Iowa streamlined their reporting of IRS Forms 1099-MISC so that a most 1099-MISC are now reported using the FEIN number of the parent organization or of a related organization. The actual expense continues to be either paid by, or transferred to, the individual entity, which is normally a subsidiary or related organization to the organization(s) issuing the 1099. For this reason, the reader may notice on some 990's that there are top 5 independent contractors reported, but no 1099s are reported. Likewise on the 990's of the organization(s) reporting number of 1099's, there may be a disproportionate share of 1099's reported as compared with the actual expenses and top 5 independent contractors reported. IRS Form 990 Part VI Section A Lines 6-7b: Covenant Medical Center, Inc. has one member which holds several reserved powers over Covenant Medical Center, Inc. The se reserved powers include, but are not limited to, the election of members of the governing body and election of officers, approval of certain financial expenditures in accordance with policy, and approval of budgets and strategic plans; these approvals are based on re commendations from the governing body. IRS Form 990 Part VI Section B Lines 11a and 11b: A ffiliates of MercyOne Northeast lowa during the fiscal year ending June 30, 2021 used a mu tliple-level review process on all IRS Forms 990 to ensure accurate and timely filing for all organizations. Under the direction of the Chief Financial Officer, the Accounting Department prepares Forms 990 and any applicable 990-T and associated state filings. When comp lete, the return is first reviewed by a Senior-Level (or h

The board has asked for formal presentations on various 990 topics over the years. This decisi on will vary from year to year, again based on many factors. Once all levels of review have e been completed, a designated finance and accounting employee will schedule an appointment with the signer of the 990. The signer, Vice President-Finance and CFO, will perform an additional, normally high level review prior to signing the return. Once signed, the return is cleared to provide to members of the Board of Directors, who at a later date but prior to efiling, are provided access to all 990's throughout their assigned region. IRS Form 990 Part VI Section B Lines 12a - 12c: Covenant Medical Center, Inc. has adopted a Conflict of Interest policy which applies to all "interested persons" of Covenant Medical Center, Inc. including directors, principal officers, key employees, and members of committees with board-delegated powers. Interested persons are expected to discharge their duties in a manner the person reasonably believes to be in the best interests of Covenant Medical Center, Inc. and to avoid situations involving a conflict of interest. On an annual basis, interested persons are required to complete a conflict of interest disclosure statement and to a fifting their receipt of the conflict of interest policy, compliance with its requirement s, and agree to notify the organization of changes impacting their annual disclosure in ac cordance with the policy. The annual disclosures are provided to internal legal counsel and the integrity and compliance officer, from which legal counsel prepares a report for the board chair and CEO. A summary of potential conflicts is reviewed with the board of directors of Covenant Medical Center, Inc. (or a delegated committee of the board) on a yearly basis.
