Name: GOUCHER COLLEGE

Form 990 (2020)

Form 990, Part III, Line 4a:

The College provided an Undergraduate Arts and Sciences education to 1,114 students. Goucher's academic philosophy is focused on 3Rs: relationships, resilience, and reflection, and coursework reflects the core values of a liberal arts education: proficiency in English composition and in a foreign language, solid foundations in history, abstract reasoning, scientific discovery and experimentation, problem-solving, social structures, and environmental sustainability. A highlight of Goucher's unique liberal arts curriculum is the requirement that all undergraduates must study abroad at least once before graduation, making the College among the first in the nation to make such a bold move in globalized education. Goucher strives to educate the whole student and promotes a broad education over narrow career training. This gives graduates a wide range of professional options and increased ability to take advantage of new opportunities in developing fields-and even the capability to change careers. Goucher students master a range of knowledge, including the communication, critical thinking, and quantitative reasoning skills that U.S. employers overwhelmingly say they want job candidates to have.

Form 990, Part III, Line 4b:

The College provided a graduate education to 901 students. The Welch Center for Graduate and Professional Studies offers a diverse range of academic programs, including: Master of Arts and Master of Fine Arts degrees in areas such as education, teaching, historic preservation, arts administration, cultural sustainability, digital arts, nonfiction, management, and environmental sustainability, plus a post-baccalaureate premedical program. These programs are led by industry leaders who help students strengthen their skills, add to their knowledge base, and create professional opportunities wherever their passions lead.

Form 990, Part III, Line 4c:

The College provided credit and non-credit continuing studies course work for 783 participants. Goucher is home to the College Board's Advanced Placement (AP) Summer Institute, training teachers in AP courses from across the country and around the world. The Advanced Placement Summer Institute allows teachers to earn graduate credit while gaining College Board-certified preparation in most subject areas offered through AP programs.

Financial aid is awarded for one year only and must be renewed annually. Need-based aid is renewed to continuing students who demonstrate need and who are making satisfactory progress toward their degrees. Institutional merit-based scholarship requirements vary depending on the award. Compliance with those requirements is also overseen by the Office of Student Financial Aid, in cooperation with the Office of Global Education. However, none of our students traveled abroad, therefore, foreign aid is \$0.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, Line 15	Goucher College uses the median of relevant markets to determine salary for positions. For exempt-level positions, the median of the market for private, independent colleges using CUPA-HR salary survey data is used. For non-exempt positions, both local market data (not higher education specific) and the median for private, independent colleges using CUPA-HR salary survey data is used. Faculty salaries have historically been determined solely by rank; however, beginning in 2021, Goucher College began looking at the median of the market for private, independent colleges using CUPA-HR salary survey data by academic discipline . This compensation philosophy was discussed and agreed to by President's Cabinet. A Presidential performance review form is used by the Board to evaluate the president's performance. A copy of the report is maintained by the Associate Vice President for Human Resources .
