### Supplemental Information

Return Reference	Explanation
PART X, LINE 2	The Center is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Accounting principles generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Center in its tax returns. The Center's status as an exempt organization is defined as an income tax position under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Center in its tax returns may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements. Management does not believe that the Center has any material uncertain tax positions at June 30, 2021. In the event interest and penalties were due relating to an unsustainable tax position, they would be treated as a component of income tax expense.
