A survey was conducted to assess the most prevalent health and social needs within the community Gifford serves. 530 respondents completed the survey. The hospital facility gained input from representatives of the following organizations: - Gifford Health Care- Central Vermont Council on Aging - Capstone Community Action - Clara Martin Center - Bi-State Primary Care Association - Randolph Area Community Development / SASH- Visiting Nurse & Hospice for Vermont and New Hampshire- Stagecoach Transportation Services- South Royalton Health Center - Vermont Foodbank - BAYADA
Gifford Medical Center	Part V, Section B, Line 11: Gifford has strategically worked to address the community's need within its role as a health care provider. Areas identified as health challenges include: mental health services, substance abuse counseling, nutrition/obesity, and dental care. Mental health services: In partnership with Gifford Healthcare, we have continued to strengthen our mental health services. This has included adding a behavioral health support group that focuses on post-partum mental health. Additionally, Gifford has actively sought out counselors with a wide variety of clinical skills to add to our behavioral health team, including those with expressive arts, marriage and family counseling, and youth focused mental health care. Substance abuse counseling: In partnership with our parent corporation, Gifford Healthcare, Inc., a Federally Qualified Health Center, Gifford's behavioral health and blueprint for health team specialists offer counseling and one-on-one patient care at all Gifford primary care locations. Our addiction medicine program offers ongoing Suboxone treatment for patients with complex needs, Suboxone provider support, education, consultation, and therapy to help patients rebuild lives affected by opioid use disorder. Obesity: Gifford's primary care team has long been a proponent of healthy lifestyle choices for good health and the prevention of disease and obesity. BMIs are determined at annual health screenings and patients are guided by providers and Gifford's registered dietitians on healthy diets and portion control. Discussions in support group settings (such as diabetes and other chronic conditions) often focus on healthy choices to reduce and prevent disease. Patients are strongly encouraged to be physically active. In 2019 Gifford began a partnership with Veggie Van Go, a program of the Vermont Foodbank. Once a month all area community members with any food insecurities are invited to Gifford to pick up healthy food items at no cost. Dental care: Gifford Healthcare's federally qualified health center designation has brought resources that help us support local dentists as they strive to better care for the underserved and uninsured. To increase awareness of dental health, we have partnered with Healthhub, a local nonprofit with a mobile dental trailer. The trailer travels to a variety of locations, including area schools and Gifford, to offer screenings, x-rays, examinations and cleanings by a dental hygienist.
