Additional Supplemental Information	Schedule I, Part I, Line 2: Scholarship recipients were chosen based on scholarship applications. The branches check the financial status of students during the application process. Since the scholarships are much less than the annual tuition, fees, books living expenses, etc., that the section knows the students pay, it was not necessary to further monitor the use of the money. If a student does not pay their tuition, fees, etc., they will not be able to continue their education. Need is taken into consideration before scholarships are awarded.
