SCHEDULE H, PART V, SECTION B, LINE 5	CHNA INPUT FROM REPRESENTATIVES OF THE COMMUNITY: Both primary and secondary data were collected to identify health needs within the Community. Primary data was collected from in-depth interviews with Community leaders and stakeholders. EPCH commissioned in-depth interviews with representatives of the Community who represent medically underserved, low-income, minority populations and populations with chronic disease needs including; Director of El Paso Public Health Department, CEO of Paso Del Norte Health Foundation and CEO and Social Equality Manager of the YWCA - an organization representing both the broad interests and specific populations of the Community. The interviews measured perspectives on a range of issues that affect the population's health and well-being, e.g. Community resources, barriers to health care providers, the impact of such barriers on the Community's medically underserved, low income or minority populations, and the social determinates of health.

Form and Line Reference	Explanation
SCHEDULE H, PART V, SECTION B, LINE 11	NEEDS ADDRESSED AND NOT ADDRESSED ON THE CHNA: EPCH is proud to note that it has made great strides in addressing the significant health needs of the Community. Specifically, EPCH outlined the following strategic imperatives to address the significant health needs of the Community: 1) Outreach; 2) Program Development; 3) Community Engagement; and 4) Access to Care. Outreach: EPCH's approach to outreach since the last CHNA has been multi-faceted. EPCH augmented its physician relations team to improve communication with Community physicians regarding the broad spectrum of services available at EPCH. Such outreach included educational, philanthropic, and other events that brought together EPCH and community physicians to strengthen relationships and improve the coordination of care for the children of the Community. Key in this effort has been the participation of EPCH physicians in the El Paso Physician on KCOS, a local television show highlighting healthcare issues and physicians in the Community. The marketing team at EPCH was similarly improved and began organizing more events in the Community, to include the annual St. Baldrick's head shaving event bringing awareness to childhood cancer, and NICU reunions that bring together children who were treated in the EPCH NICU with the physicians and nurses who were part of their care team. Such events have helped EPCH make great strides in reaching parents and other Community stakeholders. Program Development: Since the last CHNA, EPCH has continued to recruit subspecialists to the Community and grow service lines required by the growing pediatric population. EPCH, for example, has employed a pediatric cardiologist. Additionally, working with UMC, EPCH has established a pediatric neurosurgeon service line - recruiting a world-renowned pediatric neurosurgeon to the hospital. The hospital has also continued to grow its craniofacial service line, allowing for more comprehensive treatment of complex craniofacial conditions ranging from cleft lip and palate and craniosynostosis, to rare syndromes like Parry Romberg, Pierre Robin, and craniofacial pathology. Additionally, EPCH is now home to 1 of only 10 Craniofacial Fellowship programs in the world. EPCH has made steady progress in the expansion of medical services available to the children of our Community, further reducing the number of families forced to seek care outside of the Community, far from home. Community Engagement: Engaging the Community has always been an important part of the mission of EPCH. Since the last CHNA, EPCH has participated in a number of events with local school districts, including, for example, participation in various health fairs. EPCH has also continued to engage the Community through its philanthropic endeavors like the annual El Paso Children's Hospital Milagro Gala. EPCH continues its efforts to engage the community by collaborating with Community non-profit agencies, local Community groups, and children's charities each year.

EPCH has supported the Ronald McDonald house, YMCA, YWCA, Walk a Mile in Her Shoes, Candlelighters of El Paso, Royal Run for Hope, the El Paso Diabetes Association, and Lee & Beulah Moor Children's Home. Through this work, EPCH continues to cement itself as a pillar of healthcare in the Community and further its commitment to improving the lives and outcomes for Community's children and families. Access to care: Since its last CHNA, EPCH has expanded its footprint in the Community, to include establishing a multispecialty pediatric clinic in the central part of El Paso, expansion of its C.A.R.E.S. Clinic near downtown El Paso, and the approval of a rehabilitation and wellness clinic in the east part of El Paso that will begin operations in January 2022. EPCH has also made strides in making sure that its care managements and Medicaid eligibility teams are robust and making every effort to help our patients obtain insurance coverage to meet their healthcare needs. Additionally, the EPCH care management's team has augmented its ability to provide transportation for our Community's most vulnerable populations that lack access to a reliable mode of transportation, as well as for those that live in the Community's rural areas where access to public transportation is limited. As identified above, EPCH has also continued to encourage and support health initiatives related to woman and children's health in the Community. EPCH is extremely proud of its efforts and accomplishments since its last CHNA, and will continue to work diligently to improve in the areas of outreach, program development, community engagement, and access to care. While the hospital did not receive feedback on its prior CHNA from the Community, it will continue to engage with Community stakeholders to more fully understand the impact of its work in the aforementioned areas.
