| Part X, Line 2: | The System, Thomas Memorial, the Foundation, Saint Francis and THS Physician Partners are recognized as exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state statutes relating to not-for-profit organizations. Under applicable provisions of the Internal Revenue Code and state statutes, TMH Services, which is a for-profit entity and subject to Federal and state income taxes, elected to be treated as a C-corporation for income tax purposes. Accounting principles generally accepted in the United States of America require the management of the System to evaluate tax positions taken by the System. Management has evaluated the Systems tax positions and concluded that the System had maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the consolidated financial statements. The System is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The management of the System believes it is no longer subject to income tax examinations for years prior to the fiscal year ended September 30, 2018. |

990 Schedule H, Supplemental Information

| Form and Line Reference | Explanation |
|-------------------------|--|
| Part III, Line 4: | Bad debt expense is described in the consolidated financial statements as follows: "Patient accounts receivable are carried at net realizable value based on certain assumptions determined by each payor. In evaluating accounts receivable, the System analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the net realizable value. For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third party coverage exists for part of the bill), the System determines implicit price concessions based on its past historical collection experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. Management reviews troubled, aged accounts to determine collection potential. Accounts are written off when all reasonable internal and external collection efforts have been exhausted. |
| Part III, Line 8: | Medicare allowable reimbursements and cost were obtained from the hospital's Medicare cost report. |

990 Schedule H, Supplemental Information

| Form and Line Reference | Explanation |
|-------------------------|--|
| Part III, Line 9b: | <p>Once Thomas Health System determines that a patient is eligible for Financial Assistance, that patient shall not receive any future bills based on undiscounted gross charges. The amount charged for emergency or other medically necessary care to a Financial Assistance eligible individual will not be more than the amounts generally billed to (received by either THS Physician Partners, Thomas Memorial or Saint Francis Hospital) Medicare fee-for-service and commercially insured patients. The amounts generally billed are calculated using the "look-back" method based on actual past claims paid to THS Physician Partners, Thomas Memorial Hospital or Saint Francis Hospital, as applicable, in the prior fiscal year by Medicare fee-for-service together with all private health insurers. The amounts generally billed will be recalculated annually. If it is not known that a patient is eligible for Financial Assistance, usual charges will be billed and if it is later determined that the individual is eligible, any excess payments will be refunded.</p> |
| Part VI, Line 2: | <p>The hospital is a member of the Kanawha Coalition for Community Health Improvement.
